SLA Terms & Conditions
for Hardware, Software & Maintenance Services

1. The Vendor warrants that the products supplied under the Contract are new, unused, of the most recent or current model and they incorporate all recent improvements in design and / or features. The Vendor further warrants that all the Products supplied under this Contract shall have no defect, arising from design or from any act of omission of the Vendor that may develop under normal use of the supplied products in the conditions prevailing in India.
2. Warranty for Hardware Components: Onsite comprehensive warranty for all the hardware components including free replacement of spares, parts, kits as

and when necessary, will be 36 months from date of installation or 39 months from date of delivery, whichever is earlier.

3. Warranty for the System Software/off-the-shelf Software will be provided to the Bank as per the general conditions of sale of such software.
4. On-site comprehensive warranty: The warranty would be on-site and comprehensive in nature and back-to-back support from the OEM. The vendor will warrant all the hardware and software against defects arising out of faulty design, materials and media workmanship etc. for a period of three years from the date of acceptance of the hardware and software. The vendor will provide support for preinstalled software components during the warranty period of the hardware on which this software & operating system will be installed. The Vendor shall repair or replace worn out or defective parts including all plastic parts of the equipment at his own cost including the cost of transport.
5. During the term of the contract, the VENDOR will maintain the equipment in perfect working order and condition and for this purpose will provide the following repairs and maintenance services:
 - a) Free maintenance services during the period of warranty. Professionally qualified personnel who have expertise in the hardware and system software supplied by the vendor will provide these services.
 - b) The Bidder shall rectify any defects, faults and failures in the equipment and shall repair/replace worn out or defective parts of the equipment during working hours i.e. from 09.00 A.M. to 5.00 P.M. on all days (viz. Sunday to Thursday). In case any defects, faults and failures in the equipment could not be repaired or rectified during the said period, the engineers of the VENDOR are required to accomplish their duties beyond the said schedules in case of any situation if it warrants. In cases where unserviceable parts of the

equipment need replacement, the VENDOR shall replace such parts, at no extra cost to the BANK, with brand new parts or those equivalent to new parts in performance. For this purpose, the VENDOR shall keep sufficient stock of spares at Bank's premises and at the premises of the VENDOR.

- c) The maximum response time for a maintenance complaint from the site of installation (i.e. time required for Vendor's maintenance engineers to report to the installations after a request call / fax /e-mail is made or letter is written) shall not exceed 1 (One) hours.
- d) The VENDOR shall ensure that faults and failures intimated by Bank as above are set right within 3 (three) hours of being informed of the same. In any case the equipment should be made workable and available not later than the Next Business Day.
- e) The VENDOR shall ensure that the full configuration of the equipment is available to the BANK in proper working condition viz. uptime of 99.99 % of the time calculated on a monthly basis.
- f) In the event of the equipment not being repaired or a workable solution not provided during Warranty period, a penalty of one (1) percent of the total consideration for each week or part thereof the delay, subject to maximum amount of ten (10) percent of the total consideration will be charged to vendor. The vendor may provide temporary equivalent replacement as a workable solution to avoid the above penalty.
- g) Any penalty due during the Warranty period will be adjusted against the 10% retention money retained by the Bank. For purpose of calculating penalty, uptime is calculated as under:

Uptime (%) = Sum of total hours during month - Sum of downtime hours during month X 100

Sum of total hours during the month

Total hours during the month = No. of working days x 12 Hours

- h) The VENDOR shall ensure that the meantime between failures (including any malfunctioning, breakdown or fault) in the equipment or any part thereof, as calculated during any and every quarter (period of three consecutive months) is not less than 90 days.
- i) **Preventive maintenance:** the VENDOR shall conduct Preventive Maintenance (including but not limited to inspection, testing, satisfactory execution of all diagnostics, cleaning and removal of dust and dirt from the interior and exterior of the equipment, and necessary repair of the equipment) once within first 15 days of the installation once within the first 15 days of every alternate month during the currency of this agreement on a day and time to be mutually agreed upon. Notwithstanding the foregoing the VENDOR recognizes Bank's operational needs and agrees that Bank shall have the right to require the VENDOR to adjourn preventive maintenance from any scheduled time to a date and time not later than 15 working days thereafter.
- j) All engineering changes generally adopted hereafter by the VENDOR for equipment similar to that covered by this AGREEMENT, shall be made to the equipment at no cost to the Bank.
- k) Qualified maintenance engineers totally familiar with the equipment shall perform all repairs and maintenance service described herein.
- l) The Bank shall maintain an Incident register at its site in which, the Bank's operator / supervisor shall record each event of failure and / of malfunction of the equipment. The VENDOR's engineer shall enter the details of the action taken in such register. Additionally, every time a preventive or corrective maintenance is carried out, the VENDOR'S engineer shall make, effect in duplicate, a field call report which shall be signed by him and thereafter

countersigned by the Bank's official. The original of the field call report shall be handed over to the Bank's official.

- m) The VENDOR shall provide replacement equipment if any equipment is out of the premises for repairs.
6. Any worn or defective parts withdrawn from the equipment and replaced by the VENDOR shall become the property of the VENDOR and the parts replacing the withdrawn parts shall become the property of Bank.
7. The VENDOR's maintenance personnel shall be given access to the equipment, when necessary, for purpose of performing the repair and maintenance services indicated in this agreement.
8. However, if Bank desires to shift the equipment to a new site and install it thereof urgently, the VENDOR shall be informed of the same immediately. THE Bank shall bear the charges for such shifting and the VENDOR shall provide necessary arrangement to Bank in doing so. The terms of this agreement, after such shifting to the alternate site and reinstallation thereof would continue to apply and binding on the VENDOR.
9. Bank shall arrange to maintain appropriate environmental conditions, such as those relating to space, temperature, power supply, dust within the acceptable limits required for equipment similar to that covered by this Agreement.
10. If, in any month, the VENDOR does not fulfil the provisions of clauses (b), (c), (d), (e) and (h) only the proportionate maintenance charges for that period during the month will be considered payable by Bank without prejudice to the right of the Bank to terminate the contract. In such event the VENDOR was credited without deducting the proportionate maintenance charges for that month, the Bank can deduct the same from future payments payable or the VENDOR shall refund the amount forthwith to Bank on demand by Bank.

11. On account of any negligence, commission or omission by the engineers of the VENDOR and if any loss or damage caused to the Equipment, the VENDOR shall indemnify/pay/reimburse the loss suffered by the BANK.
12. On expiry of Warranty, the Bank shall have the sole discretion to enter into an agreement with the existing or a new vendor for Annual Maintenance Contract (AMC) based on the quality/level of services extended by the vendor during the warranty period.
